EM 46

Task chair with medium backrest, with or without headrest.

Grey (RAL 7035) or black plastic finish.

Nylon **backrest**, covered with properly tensioned stretch polyester mesh.

12 mm-thick beech plywood **seat**, with anatomically shaped padding in injected polyurethane foam and black or grey polypropylene under-seat protective shell.

Nylon seat/backrest connection with backrest height adjustment system (60 mm).

Fixed loop or T-shaped nylon **armrests**,

1D-adjustable (height) or 2D-adjustable (height, depth) with soft touch. EM 46 Grey chairs can be fitted with grey 1D-adjustable (height) armrests only. There are 4 adjustment **mechanisms**:

- synchronized seat/backrest mechanism adjustable in 4 positions, with backrest tension adjustment according to user weight; the same mechanism is available with seat depth adjustment.

- synchronized seat/backrest mechanism with 5-position adjustment, with side-mounted control to adjust backrest tension according to user weight; the same mechanism is available with seat depth adjustment.

All synchronized devices come with a soft backrest release device.

Seat height adjustment with gas lift.

5-star **base** in nylon or die-cast aluminium. Self-locking dual-tread rubber swivel castors, Ø 50 mm, as standard.
